Winter Storm Closes School

School was closed at noon last Thursday and remained closed Friday, due to a bad winter storm. Some bridges and highways were closed because of ice, and it even snowed a bit in some areas. One student reported, "It was very cold!" Catholic Schools Week was cut short, and some activities had to be rescheduled. The timetable for the Book Fair, which began last week, was extended through the beginning of this week. Students, as well as some teachers, were excited for the extra time off. Many people were hoping to get another day off this week.

SPORTS NEWS FROM ST. JOE AND AROUND THE COUNTRY

Packers defeat Steelers in Super Bowl

The Super Bowl was a close and fantastic game. The Packers did a good job on defense, holding off the Steelers and forcing them to turn over the ball numerous times. Green Bay's offense, led by quarterback Aaron Rogers, also did an excellent job in the championship victory.

The final score of the game was 31-25.

Students, teachers, and staff at St. Joe really know how to pick winners. Almost 75% of the people chose the Packers to win. Sophomores did the best overall; 88% picked the Packers! Ms. Christie had the closest score of all. Her guess was Packers-31-24, only one point from the actual final!

Basketball teams win at Larto

Both basketball teams from St. Joe performed very well Monday night against Central High of Larto. The boys won their game 51-16. Freshman Nick Andrus was the leading scorer. Victoria Pitts led the girls in a 35-15 victory.

The trip to Larto was an adventure, as the bus got stuck on the way to the gym! Some players were taken to the gym by car so they could start their game. Eventually, someone in a truck managed to pull the bus out, and everyone made it to the game.

Senior Night is Thursday, February 10th.
